**PLAY PUTT for LIFE**

18 holes of miniature golf in New Meadows will be set up in local businesses and by local associations on June 11<sup>th</sup>. This is the third year that SAVES the DAY has sponsored Putt for Life, as part of the fun fundraising event to support the volunteer Ambulance and Fire Services.

Sign up from 2:00 to 3:00 pm at Dorsey Warr Park in New Meadows, to experience this sporting event. There are cash prizes, and a non-pro and pro status for players. You do not have to be a golfer to play and win. Corby Dickey, SAVES the DAY board member and Putt for Life coordinator agrees. "The businesses are going all out this year to provide a fun event, some are providing a snack, drink or even coupons for future business for the players." There is a Best Green traveling trophy that the businesses are striving to win. Kahili Club is looking to win the trophy as the standing winner for the past two years. Adams County Sherriff's office is going to be looking for their second win to keep the 'Traveling Emergency Services Challenge Trophy'. A beautiful elk antler engraved with SAVES the DAY has been on display in Council for the past year.. EMS Chief Mac Qualls would like to bring the trophy to New Meadows, all though there will be teams from as far as Boise playing for this honor.

SAVES the DAY has traditionally had a golf tournament at Meadow Creek as part of this fundraising event. Putt for Life was created to fill the void due to schedule and operations conflicts with the golf course. We are excited to announce that one of the 'greens' will be sponsored by the new Meadow Creek Resort Association. It will be fun to see how the 'golfers' set up their green. SAVES the DAY board member Judy Guhrke states, we are also looking forward to adding the golf tournament at Meadow Creek next year as part of the weekend fundraising event.

The evening event starts at 5:00pm with live music, a dedication to our Armed Service Veterans and Emergency Service Providers will be at 5:30pm. Enjoy the BBQ Dinner, meat barbequed by the Wild Hawg Team at 6:00pm. Find that special something to bid on at the Silent Auction and get ready to raise your paddle at the Live Auction, by auctioneer Col. Anthony Mendoza III out of Middleton, Idaho.

Be sure to Save the Date, June 11<sup>th</sup>, Come out to Meadows Valley and support the Emergency Services and have lots of fun doing it.
